| (ii) Chair of Member Development & Engagement Group |
| (iii) Various meetings with Committee Services planning engagement sessions |
| (iv) Station Visits and Staff Engagement Sessions |
| (v) MFRS Strategy Days |

3. What has been the main benefit to you or the Authority of your appointment in this role?

I am consulted with respect to all reports that are presented by the Team to the Authority.

All the meetings, Deb and her team have given me a very clear overview of how the Service is performing and prepare me so that I have a good understanding of any issues to answer questions in committee meetings.

DAG & SEG have given me greater insight into the planning and monitoring that takes place behind the Service's commitment to be a supporter of equal opportunities for staff and residents.

The engagement sessions have been successful in increasing the understanding and knowledge of the role of members for staff and members have gained a much better insight into all the varied works that are undertaken by staff.

4. Any other comments you would like to add

I believe I have brought a wide professional experience to the role as I have worked in several sectors: housing; education; retail and the civil service, and as a volunteer as a school governor in two schools and a National Leader of Governance supporting Chairs in other schools.

Deb, Wendy, Jackie and Vicky have all been very supportive and helpful during my time in this role. They listen to my views and ensure they are reflected in their work, roles and reports. I would like to thank them all and staff in Committee Services, mainly Kelly, for all the fantastic help with Member Training and Staff Engagement sessions.
