Section 2: Initial Assessment

2.1) What are the legitimate aims or purposes of the SI/policy/report/event/project?

Merseyside Fire & Rescue Service aims to create a culture that respects and values people's differences and secures genuine equality of opportunity in all aspects of its activities. This applies to job applicants, employees, volunteers, users of the organisation's services and those who deliver services on behalf of MFRS. This policy is influenced by current legislation; The Equality Act 2010, but it also reflects the intention of MF&RS to promote the best practice in this area.

The overall aim of this policy is to prevent discrimination, harassment and victimisation, and comply with the Equality Act 2010 and the Public Sector Equality Duty. In order to achieve this, MF&RS will endeavour to create an environment in which there is respect for every individual and recognition of their needs and aspirations, regardless of gender (including transgender status), married or civil partnership status, race, ethnicity, nationality, colour, religion or belief, disability, age, family status or sexual orientation or any other factor that cannot be justified.

Section 3: Monitoring

Summarise the findings of any monitoring data you have considered regarding this SI/policy/report/event/project. This could include data which shows whether it is having the desired outcomes and also its impact on members of different equality groups.

3.1) What monitoring data have you considered?

The introduction of the Public Sector Equality Duties in 2011 requires Public bodies to publish equality information pertaining to the makeup of its workforce on an annual basis. We ensure that our Equality Analysis of Workforce and Employment Data is published at the beginning each financial year.

Demographic profile reports have been created for each of the 5 local Authorities to help and support staff. The report provide statistics for the protected characteristics by local authority and council ward.

3.2) What did it show in relation to Equality Impacts?

Currently our monitoring shows, as at 31st march 2016

- There are 1,045 staff employed at MFRS, of which 66.4% are uniformed/operational 30.3% were support staff and 3.3% were fire control
- 77.85 of staff were male and 22.2% were female
- Support staff had a 50% split between male and female
- Uniformed/operational staff had a gender split of 94.1% Male and 5.9% Female
- 58.9% of the total staff employed by MFRA were aged 46 and over
- 8.4% of staff had declared a disability (lower than the UK average population at 20%)
- 95.8% of the total staff at MFRA were White British/White other, 3.3% of staff were Black Minority Ethnic (BME) - lower than the Merseyside average of 5.5%

The Demographic Profiles shows:

- 8% of Merseyside population is not "White British", BME or White other make up this group.
- There are 680,495 Men and 717,535 Women in Merseyside
- All 5 local authorities are ranked within the top 50 for Deprivation

5.2) What did it say?

The feedback was very supportive with full endorsement for the new Policy and the EIA from all groups. Some notable feedback included :

1) Include Zero Tolerance statement for Discrimination and B and H and specifically highlight Gender Identity as a protected group- comments from Stonewall

2) Include reference to continuing education of existing employees, Positive action , Progression of Union Members in the Policy and the need to include Equality Targets for recruitment- comments from FBU

3) Afsa suggested we include clarification around all types discrimination - where it is not always overt but subtle forms of discrimination and harassment and bullying . They also requested that there be more emphasis on the Public Sector equality Duty responsibilities for authority , Managers and staff .

4) FireProud felt this was a good policy which is concise and easy to understand and read.

5) Some Staff Members were concerned that the Policy could be too broad and allow people with fundamental differences to be protected by the Policy - suggestion around linking the policy to supporting difference where is recognised as a Human rights standard were acknowledged.

5.3) Which Groups/persons?
