### **Purpose of Report**

1. This report ensures that the Authority meets the requirements of the CIPFA Code of Practice on Treasury Management and the CIPFA Prudential Code for Capital Finance in Local Authorities. The Codes require the Authority to review its Treasury Management activities during the year to ensure they are consistent with its approved Treasury Management Strategy and have remained within the approved Prudential Indicators. This report meets that requirement and outlines the Treasury Management activities and performance for April to November for the financial year 2015/16.

### **Recommendation**

2. That Members note the contents of the report.

### **Introduction and Background**

3. The CIPFA Code of Practice for Treasury Management in Local Authorities has been adopted by the Authority and a Treasury Policy Statement incorporated into Financial Regulations, which are contained within the Authority's Constitution, in accordance with the requirements of the Code. The arrangements for reporting treasury management activities to members are that the Treasurer will present a minimum of three reports: -
  - An Annual Treasury Strategy Report before the start of a financial year.
  - An interim report during the second half of a financial year, (other interim reports will be prepared if necessary).
  - An annual outturn report by 30<sup>th</sup> September following the financial year to which it relates.

4. The original Treasury Management Strategy Statement 2015/16 was contained within the Budget and Financial Plan report CFO/014/15 approved by the Authority at its meeting on 26<sup>th</sup> February, 2015. The strategy covered the following areas:
  - (a) prospects for interest rates;
  - (b) capital borrowing and debt rescheduling;
  - (c) annual investment strategy;
  - (d) external debt prudential indicators;
  - (e) treasury management prudential indicators.
  - (f) performance indicators;
  - (g) treasury management advisers
  
5. The Interim Treasury Management Report, attached as Appendix A, constitutes the interim report for 2015/16. In summary the treasury management activity has been carried out in compliance with the relevant Codes and Statutes and within the borrowing and treasury management limits set by the Authority under the prudential code. Performance indicators are consistent with the Authority's approved Treasury Management Strategy.
