Information

Minimum Legal Requirement

3. The minimum statutory requirements for a decision-making structure are:-
 - (a) Authority Meetings - There is a statutory requirement to hold an Annual Meeting (before the end of June in each year) and to meet to determine the precept each year (by the end of February in each year). The Authority is also required to consider other miscellaneous matters including statutory reports of the Chief Finance Officer or Monitoring Officer and public interest reports of District Audit should they arise.

- (b) Standards Committee - There is a statutory requirement to appoint a Standards Committee which must have at least three Members including at least one Independent Member. The Chair of Standards Committee must be an Independent Member. It is also a requirement that at least 25% of those appointed to the Standards Committee are Independent Members. Standards Committees are also required to have two Sub Committees. One Sub Committee to conduct initial assessment of all allegations against Elected Member and one Sub Committee to conduct any review of that decision. In both cases the Sub Committees must be chaired by Independent Members. In addition, where a meeting of Review Sub Committee is convened no decision may be taken by the Sub Committee if a Member of that Sub Committee took part in the initial assessment decision. Also no decision can be taken in relation to initial assessment or review unless at least one Elected Member of the Authority is present.
- (c) The Localism Bill proposes abolition of Standards Committees, however, this is not likely to be enacted until Autumn 2012. A further report will be provided to the Authority when full information is available. In the meantime Standards Committees will be legally required.

Existing Structure

4.

4.1. At present, the Authority has appointed:-

- (a) A Community Protection and a Strategic Assets Committee each consisting of 9 Members;
- (b) Appeals Committee, Appointments Committee, IRMP Scrutiny Panel, Community Safety Scrutiny Panel, Asset Management Scrutiny Panel, Audit & Value for Money Scrutiny Panel, each consisting of 5 Members.
- (c) A Standards Committee consisting of 6 Elected Members - 2 from each political group - and 3 Independent Members.
- (d) An Initial Assessment Sub Committee of the Standards Committee consisting of 3 Elected Members and 1 Independent Member.
- (e) A review Sub Committee of the Standards Committee consisting of 3 Elected Members, and 1 Independent Member.
- (f) Consultation and Negotiation Committee consists of 4 Members.

4.2. Each Committee has delegated powers.

- 4.3. The Appeals Committee has delegated powers to determine matters such as appeals against dismissal, grievances and reconsideration of pension claims.
- 4.4. The Authority also:
- (a) appointed Member Sponsors with additional responsibility for the following services:
- Equality & Diversity
 - Consultation, Information Management and ICT
 - Fire Service Direct
 - Prevention and Protection
 - Value for Money/Finance
 - Corporate Risk & IRMP
 - Health, Safety and Environment
 - Response
 - Training, Development and Lifelong Learning
 - Voluntary Sector
- (b) appointed a Member Development Group with approved terms of reference, consisting of Strategy & Member Development Officers and one Member from each political group.
- 4.5 The Authority appointed a Consultation and Negotiation Panel with approved terms of reference consisting of one Member of each political group.

This was changed at the Authority Meeting 30th September 2010 to a Committee with the addition of a fourth Member agreed at the Authority Meeting of 16th December 2010.

5 Determination of a Structure

- 5.1 A draft structure is attached to this report as Appendix A.
- 5.2 The Terms of Reference and powers of each Committee and Sub Committee are contained within the Constitution for 2011/12, which is the subject of a further report on this Agenda.
- 5.3 In making their decision on a structure, Members are also requested to take into account the following matters:-
- (a) the requirement for each political group to complete a notice in writing to the Clerk detailing their Membership and a Group Leader;
- (b) the requirement for political balance on any Committees which are appointed (except in the case of the Standards Committee and its Sub Committees) and unless the Authority has resolved otherwise and no Member has voted against such resolution;

- (c) the requirement to appoint Members (and Alternates) to Committees in accordance with the wishes of the political group to whom the seat has been allocated. In this respect it will assist the Clerk if all such nominations can be determined on, or before;
- (d) the appointment of Chairs of Committees; and
- (e) the requirement for approval of the Powers and Duties of each appointed Committee.

Number of Seats & Political Balance/Membership of Committees

6.

6.1. The Authority is required to make appointments to its Committees in a manner which, so far as practicable reflects the political balance of the Authority (except in the case of the Standards Committee) unless the Authority has resolved otherwise and no Member has voted against such resolution.

6.2. Due to Local Elections in May 2011, there has been a change to the political balance in the District Councils. Therefore, (subject to receipt of formal notification of political groups) the representation of each political group on the Authority will be as follows:-

Labour	13 Members
Liberal Democrat	2 Members
Conservative	3 Members

6.3. In order to comply with political balance requirements, where practicable it is therefore appropriate that the proportion of seats on Committees allocated to political groups is as follows :-

Labour	:	72.22%
Liberal Democrat	:	11.11%
Conservative	:	16.67%

6.4. Having decided which Committees the Authority is to establish, and the number of Voting Members to be appointed to each Committee, it is then appropriate for each political group to submit nominations for membership of those Committees in accordance with the allocation of seats to that political group.

Members are requested to consider their nominations in advance of the meeting, so that the information can be provided at the Annual Meeting, to enable the Authority to confirm the appointments at the Annual Meeting.

A template for Members to complete is attached as Appendix B to this report.

Chairs and Vice Chairs of Committees

7. 7.1. Having determined which Members are to be appointed to the Committees, it is appropriate for the Authority to consider proposals for the appointment of Chairs of Committees.
- 7.2. Members are requested to consider this issue prior to the Annual Meeting with a view to the Authority being in a position to appoint Chairs of Committees at the Annual meeting.

Alternate Members

- 7.3. The Authority is also requested to consider whether it wishes to provide for appointment of Alternate or Substitute Members of Committees. In this respect, the Authority has made such provisions in the previous municipal year.
- 7.4. Similarly, Members are requested to consider their nominations for alternates in advance of the meeting so that the relevant details can be provided at the Annual Meeting to enable the Authority to confirm the appointments at the Annual Meeting.
- 7.5. It is important to note, when considering Alternate Members for Chairs of Committees, that the nominated Alternate Chair may be called upon to Chair that Committee in the event that the Chair of that Committee is not available.

Dates of Meetings

8. The separate report on this agenda dealing with a draft schedule of dates of meetings has been prepared on the basis of the draft Committee structure being approved, although alternative meeting dates will be provided if necessary. If the draft structure is not approved then amendments or addition to the draft schedule of meetings will be required.

Equality and Diversity Implications

9. None arising directly from the report.

Financial Implications & Value for Money

10. If the proposed structure of allowances is unchanged and the structure of the Authority is unchanged there should not be any changes to the budget requirements already approved for 2011/12.

Health & Safety and Environmental Implications

11. None arising directly from this report.
