Dear Mr. Skarratts,

Consultation Position Statements

I refer to earlier correspondence concerning the close of formal consultation regarding the following issues:

1. GM/SM Reductions
2. MRT Duty System
3. MACC Review

You will recall that the date for the conclusion of formal consultation for these three matters has now passed and that in previous correspondence the relevant lead officer has requested that the FBU provide a position statement by the no later than the 17th June 2011.

This request has been made in order to ensure that the views of the FBU can be accurately reflected in the reports which must now be prepared for the Authority detailing the outcome of the consultation process.

Could I therefore reiterate the request that position statements for these 3 matters are provided by the 17th June 2011. If your position statements are not provided by this date it may not be possible to include them in the reports which will be made to Members of the Authority.

I trust that these arrangements meet with your approval but if there is any further way in which I can be of assistance to you then please do not hesitate to contact me.

Yours sincerely,

Mike Cummins
Consultation Unit Manager
