Dear Mr Webster

Re: Prescott Business Park – possible future co-location

Further to your recent request, we write to confirm our interest in the possible future co-location with Mersey Fire & Rescue Service and Merseyside Police at the above site.

Preliminary discussions with our colleagues suggest that the site appears to be in a good location for the Trust to deploy resources to cover the Prescott, Huyton and Whiston areas of the Borough. We would be happy to join any discussions to move this initiative forward and I have asked Mr Neil Maher (Assistant Director - Fleet & Estates) to be your point of contact.

I trust that the content of this letter is sufficient for your immediate needs but should you require any further information please do not hesitate to contact Mr Maher on the above number to discuss the matter.

Yours sincerely

DARREN HURRELL
Chief Executive
