1. Operational Response Scrutiny Review - Use of FIRS Software in the Decision Making Process

To consider a presentation by the Area Manager for Operational Response, concerning the following:

“Scrutiny of the use of FIRS Software in the decision making process around Operational Response matters”.

This presentation was originally due to take place at the Scrutiny Review on 5th March 2019, but it was postponed and re-scheduled for 9th May 2019.

If any Members have queries, comments or require additional information relating to any item on the agenda please contact Committee Services and we will endeavour to provide the information you require for the meeting. Of course this does not affect the right of any Member to raise questions in the meeting itself but it may assist Members in their consideration of an item if additional information is available.

Refreshments

Any Members attending on Authority business straight from work or for long periods of time, and require a sandwich, please contact Democratic Services, prior to your arrival, for arrangements to be made.
