

Liverpool City Community Fire Station

Community Risk Management Plan 2017-18

Excellent Operational Preparedness

All personnel will follow the monthly training planner to ensure operational competency is maintained and SPA/learnpro expectation is achieved.

All personnel to attend Training & Development Academy core risk critical training courses.

All personnel to maintain operational competence on the aerial appliance, in both driving and cage operation.

All personnel will engage & complete allocated 186 SSRI inspections within the City Centre station area.

Hydrant surveys will be completed annually. With the main focus during the drier months. Attention will be given to the areas of the city where fires have occurred.

The station will train against identified risks within their station/specified areas as per Site Specific Operational Response Plans.

Excellent Operational Response

All personnel will continuously train, learn and develop their skills, knowledge and understanding of service equipment and procedures.

All staff will follow service guidance, instructions and procedures.

All staff will ensure correct Personal Protective Equipment is worn and maintained.

All staff will remain vigilant to prevent accidents occurring and actively engage to ensure a positive health and safety culture in the work place.

All personnel will ensure that alert to mobile times are met.

All personnel to complete allocated Safe Person Assessments.

Excellent Prevention and Protection

All personnel will engage in Community Safety Campaigns and support the Directorates to achieve organisational aims and events identified on the CFOA Campaign Calendar

All personnel will actively target the high risk over 65 group for prevention activity and home fire safety checks.

WM's will use local knowledge and liaise with the Prevention Team to identify vulnerable groups or individuals to receive prevention education.

All personnel will be proactive in identifying potential anti-social behaviour and waste material build-up to reduce ASB fires.

All personnel will provide Protection advice after attending unwanted AFA activations to support the business community and assist the Directorate in reducing attendances to this incident type.

Crews will carry out Simple operational fire safety assessments and liaise with protection staff to ensure non domestic fires are reduced

Excellent People

All personnel to complete an appraisal and identify objectives and development opportunities which will support the Liverpool City station plan.

During appraisals the SM and WM's will identify individuals who would like to develop or progress their careers and ensure opportunities are created during the year to support this.

Appraisal objectives are to be reviewed on a regular basis to ensure they are progressing.

All appraisals to be completed within specified time scales. For 2017 this will be the end of May.

All personnel will be proactive in managing their health and well-being and utilise appropriate supportive resources to maintain the expected attendance record.

All staff will engage in creating a culture on the station which supports colleagues and ensures a positive working environment.
