3. What has been the main benefit to you or the Authority of your appointment in this role?

I am very proud to be Lead Member for People and Organisation. Engaging with front line staff at fire stations through visits enables me to feedback the concerns and needs to the chain of command. Having our member's engagement days also enables us to speak to back room staff and once again listen to their concerns also and feedback.

4. Any other comments you would like to add

I have found this role satisfying and have enjoyed engaging with staff within the organisation.

These are worrying times for all of us regarding job security. Working together, listening, taking on board suggestions from all employed at M F R is a healthy inclusive approach to letting all know how valued they are. The committee's staff are wonderful, thanks also to Nick Mernock for giving me regular updates. All the trade unions must be applauded for the way they work with us, and the leadership from the Chief and Deputy Chief Fire officers is outstanding.
