Purpose of Report

1. The purpose of this report is to present to Members the Authority's Annual Governance Statement. This statement fulfils the Authority's statutory requirement to prepare a statement of internal control in accordance with proper practices, and to present an annual review of the effectiveness of the current system.

Recommendation

2. That Members approve the 2016/2017 Annual Governance Statement.

Introduction and Background

3. The Annual Governance Statement (AGS) is the formal statement that recognises, records and publishes a Council or Authority's governance arrangements. Attached as Appendix A to this report is the 2016/17 AGS for MFRA which explains the processes and procedures in place to enable the Authority to carry out its functions effectively. The AGS also links into the Annual Statement of Assurance by providing assurance about the Authority's governance framework.
4. The CIPFA/SOLACE – Delivering Good Governance in Local Government Framework is deemed to represent best practice in relation to internal control. This framework recommends that the review of the effectiveness of the system of internal control should be reported as part of the AGS. The annual review of the effectiveness of the Authority's internal control system has been undertaken and, in accordance with the CIPFA guidance, incorporated in the attached AGS. The AGS identifies the ways in which the Authority has ensured that its control mechanisms are adequate during the year, including internal and

external audit. The overall conclusion of the AGS is that the system of internal control is adequate (any control system can provide only reasonable assurance and not absolute assurance).

5. Under International Standards on Auditing (UK and Ireland) (ISA (UK&I)) auditors have specific responsibilities to communicate with the Audit Committee. As part of their risk assessment procedures the Authority's external auditor (Grant Thornton) have sought an understanding of the management processes and the Audit Committee's oversight of the following areas:
 - fraud
 - laws and regulations
 - going concern.
6. Grant Thornton have asked the Authority's management team and the Chair of the Audit & Scrutiny Sub-Committee to complete a questionnaire in relation to the above risks. The completed return is attached as Appendix B to this report for Members information.

Equality and Diversity Implications

7. Good governance and sound internal control includes having effective practices to manage equality and diversity issues.

Staff Implications

8. There are no staff implications arising from this report.

Legal Implications

9. -Regulation 6(1) of the Accounts and Audit (England) Regulations 2015 requires that the relevant body must conduct a review at least once a year of the effectiveness of its system of internal control and to prepare a statement on internal control in accordance with proper practices. Regulation 6(2) require that the findings of a review of an organisation's system of internal control is to be considered by a Committee of the relevant body, or by members of the body meeting as a whole, once a year. The AGS fulfils that obligation.

Financial Implications & Value for Money

10. A sound system of internal control is essential for the overall control of the Authority's finances. There are, however, no direct financial implications arising from the Statement.

Risk Management, Health & Safety, and Environmental Implications

11. Good governance and sound internal control arrangements will ensure the Authority's policies, procedures and objectives are being fulfilled.

12. Good governance and sound internal control arrangements will ensure the Authority's mission is known by all and drives and directs the Service outcomes.
13. Merseyside communities are safer, stronger and the firefighters who serve the County are safer and more effective because the Authority has effective leadership and makes decisions that deliver strong financial management and efficient and effective service delivery. Robust and comprehensive governance arrangements are integral to this performance.
