Legal Implications

- The Local Audit and Accountability Act 2014 abolished the Audit Commission and established transitional arrangements for the appointment of external auditors. Additional regulations, the Local Audit (Appointing Person) Regulations 2015 and the Accounts and Audit Regulations 2015 require the Authority to meet various requirements when determining the appointment of the external auditor and the Authority has met such requirements.
- This report is seeking Authority approval, however this Committee in its Terms of Reference has delegated powers to approve reports that would otherwise need Authority approval but cannot await its next meeting. (Article 12.1 (m)). As this Consultation closes on 22nd September 2017 it is necessary to seek approval from this Committee.

Financial Implications & Value for Money

- The cost of the current external audit function is £32,424. PSAA have indicated that on average the fee may be up to 18% lower. Therefore no increase in cost is expected and the contract price should at a minimum be within the current budget.

Risk Management, Health & Safety, and Environmental Implications

- None contained within this report.

Contribution to Our Mission: *Safer Stronger Communities – Safe Effective Firefighters*

- External audit help ensure the Authority's internal controls and financial management are robust and therefore funds earmarked for fire and rescue operational activities remain intact.
