 - b. approve the 2021/22 Internal Audit Plan

Introduction and Background

3. Internal Audit – Definition;

“Internal auditing is an independent, objective assurance and consulting activity designed to add value and improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.”(Source: Public Sector Internal Audit Standards).

4. The Authority has a statutory duty to ensure that it maintains an adequate and effective system of Internal Audit of its accounting records and control systems, (Accounts and Audit Regulations 2015). In order to fulfil this statutory requirement the Authority has entered into a contract with Liverpool City Council’s Internal Audit Service. The Authority has utilised Liverpool City Council’s Internal Audit Service (LCC IAS) since 1986. LCC IAS has established an Internal Audit Charter (IAC) and Quality Assurance & Improvement Programme (QAIP to ensure compliance with the Public Sector Internal Audit Standards (PSIAS) and that LCC IAS delivers to the Authority an effective high quality service.

5. Each year Internal Audit submit a work plan following consultation with the Strategic Leadership Team, Director of Finance and Procurement, Head of Finance and other key officers. This plan is set based upon an assessment of risks, previous findings and the relationship with External Audit work. The two main strategic areas of work are:
 - a. A review of fundamental financial systems and processes, and
 - b. Specific project reviews requested by the Service.
6. The proposed 2021/22 audit plan is attached as Appendix A to this report and Members are asked to consider the plan and provide any comments or opinions they might have on the proposed plan, and subject to any proposed amendments approve the 2021/22 Internal Audit Plan. The proposed Plan utilises 135 Audit Days, which is 23 days above the agreed annual allowance. This is due to the impact of Covid 19 in 2020/21, as some strategic audits were deferred until the financial year end and elements of the work will now be finalised in 2021/22. Therefore, 23 audit days have been carried forward from the 2020/21 Audit Plan to facilitate the completion of this work.
7. Arrangements have been set in place for monitoring progress against the plan on an ongoing basis and for closely managing any ad hoc work requirements during the year.
