

Aintree Community Fire Station

Community Risk Management Plan 2024-25

Operational Preparedness

Aintree will:

Plan and prepare exercises at against our USAR and MTA capabilities at MFRS's new state of the art training centre.

Maintain core competencies by attending scheduled training at the Training and Development Academy.

Train to maintain all competencies against USAR (Urban Search and Rescue), MTA (Marauding Terrorist Attack) & technical rescue skills.

Attend and assess premises to gather SSRI information to inform our response and identify risks. Understand and implement the PORIS system.

Complete all SSRI inspections on premises within station area to ensure that key risk information is available to operational crews.

Continue to assess and monitor high risk local developments such as the renovation of University Hospital Aintree, and HMP Liverpool.

Undertake all assign Hydrant walks to ensure operational readiness, report faults in a timely fashion and familiarise crews with alternative water sources, including Leeds Liverpool Canal.

Operational Response

Aintree will:

Ensure all aspects of operational response can be conducted safely in line with the training planner & assess against national & local policy, guidance, and procedures.

Undertake and complete all Safe Person Assessments and theoretical training as designated by the monthly planner.

Maintain 95% standard for alert to mobile within 1.9 minutes & attendance standard, attending all life risk within 10 minutes.

Plan and attend off site exercises based on local and neighbouring risks.

Promote a positive Health & Safety culture to manage Health & Safety requirements.

Maintain appliance and equipment to maintain operational readiness.

Conduct routine testing and maintenance of equipment.

Ensure response times are effectively met and measure performance on PIP's.

Prevention and Protection

Aintree will:

Attend and complete all required Prevention activities to reduce risk and protect vulnerable members of the community.

Continue to advise on how to prevent fire within the significant elderly population and the broader demographic through HFSCs and joint working with partners in NHS and local primary care trusts.

Seek to educate local primary and secondary school children around Fire Safety, Road Safety and Water Safety to reduce harm or injury through school visits.

Engage with businesses surrounding our new state of the art Fire station and carry out Simple Operational Fire Safety Assessments (SOFSA) to provide advice and guidance to small businesses to ensure compliance with legislation & familiarise crews

Utilise PIP's to target and identify areas of anti-social behaviour & waste material build up to reduce ASB fires.

Collate & monitor Equality data from our activities to ensure we target all groups within the community.

Look to support community based initiatives by use of the community impact fund.

People

Aintree will:

Work together and support each other to maintain excellent wellbeing and mental health.

Use the appraisal process to promote personal development by setting realistic aims & objectives to support individuals and team

Identify & support individuals who would like to develop/progress their careers & ensure suitable opportunities are created

Provide support for development firefighters via mentorship, structured training & development activities

Continue to maintain existing USAR/MTA/Technical Rescue skills & help to support the development of newer team members

Maintain fitness levels through shift related physical training activities

Manage health, safety & well-being of personnel & ensure that levels of absence, accidents & injuries are in line with Service policy
