**Note:**

1. For convenience, the values are rounded up to the nearest whole £1.00 and VAT added to that figure where appropriate.

2. Ex-Directory Lines (i.e. Automatic Fire Alarms) have been increased in line with the Consumer Price Index (10.5%)

3. Reinforcing Moves are agreed locally at the NW Regional Board.

4. Fire Safety Alarms (General Public) are charged on a cost recovery basis only - charge reflects latest estimate

\* Items marked with an asterisk are non-chargeable where the General Data Protection Regulation applies.

# Examples include, but not limited to:

- o Lift Rescues;
- o Removal of debris from premises, highways etc.;
- o Provision or removal of water such as filling swimming pools or barriers, pumping out basements;
- o Removal of dangerous structures such as scaffolding, slates, chimney stacks, hoardings and aerials);
- o Effecting entry to premises i.e. lock ins, lock outs
