Introduction and Background

4. Where Council meeting dates have been available, these have been taken into consideration, and dates for Committees have been programmed sympathetically around those dates wherever possible.
5. The proposed dates have been devised to aid the flow of business for the year through the Committee process; to enable the Authority to meet its deadlines in terms of setting the budget, consulting on and delivering its Community Risk Management Plan and other strategic plans; and to provide the opportunity for regular and effective scrutiny.

6. The proposed schedule of meeting dates does not include any meetings of Task & Finish Groups, which may be called at the request of any meeting of the Authority or its Committees. Similarly, it does not include any scheduled dates for meetings of the Appointments, Appeals or Joint Fire and Police Collaboration Committees, which will be called as and when required.
7. The draft schedule also includes proposed dates for the Authority's two Strategy Days.
8. 'Learning Lunches' and other member development events have been programmed into the attached schedule of meeting dates.
9. The schedule of meeting dates, continues to include a series of Station Visits and MFRA Staff Engagement Days. Members are asked to note that the Staff Engagement Days have been arranged to take place on the same day as Authority meetings in line with 2023/24 as per the results of a Member survey.
10. The proposed meeting dates also include a break throughout August to accommodate the peak holiday period and a break during the Christmas period.
11. Set meeting dates may be changed and other meetings convened as and when required, in accordance with Standing Orders.
