Dear Karen,

Merseyside Fire and Rescue Authority - Audit for Year Ended 31 March 2025

This representation letter is provided in connection with your audit of the financial statements of Merseyside Fire and Rescue Authority (the Authority) for the year ended 31 March 2025 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25 (the Code), and applicable law.

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy myself that I can properly make each of the following representations to you.

My responsibility for the financial statements and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code, as amended by applicable law.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which I am aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Authority you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Director of Finance and Procurement that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

I confirm that there is no information provided to you as part of the audit that I consider legally privileged.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Authority and committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Authority's financial position, financial performance and cash flows.

Accounting estimates, including those measured at current and fair value

I confirm that the methods, significant assumptions and the data used by the Authority in making the accounting estimates, including those measured at current and fair value, are appropriate to achieve recognition, measurement or disclosure that is in accordance with the applicable financial reporting framework.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired, or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Authority have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code, as amended by the Code and applicable law.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Authority has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as Director of Finance and Procurement for the design, implementation and maintenance of internal control to prevent and detect fraud and error and I believe I have appropriately fulfilled those responsibilities.

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Authority involving:
 - management and those charged with governance;
 - employees who have significant roles in internal control; and
 - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Authority's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code, as amended by the Code and applicable law.

I have disclosed to you the identity of the Authority's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment and intangible assets below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Charges on assets

All the Authority's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

The Authority has no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Service Concession Arrangements

I am not aware of any material contract variations, payment deductions or additional service charges in 2024/25 in relation to the Authority's service concession arrangements that you have not been made aware of.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code, as amended by applicable law, require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Tariffs

I confirm that I have carried out an assessment of the potential impact of changes in US trade policy in respect of tariffs, including the impact of reciprocal tariffs by other countries, including the impact of mitigation measures and uncertainties, and that the disclosure in the Narrative Report and the subsequent events note to the financial statements fairly reflects that assessment.

Going concern

To the best of my knowledge there is nothing to indicate that the Authority will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Annual Governance Statement

I am satisfied that the Annual Governance Statement (AGS) fairly reflects the Authority's risk assurance and governance framework and I confirm that I am not aware of any significant risks that are not disclosed within the AGS.

Narrative Report

The disclosures within the Narrative Report fairly reflect my understanding of the Authority's financial and operating performance over the period covered by the financial statements.

Unadjusted misstatements

I confirm that the effects of the uncorrected misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to this letter as an Appendix.

Arrangements to achieve economy, effectiveness and efficiency in Use of Resources (Value for Money arrangements).

I confirm that I have disclosed to you all findings and correspondence from regulators for previous and ongoing inspections of which I am aware. In addition, I have disclosed to you any other information that would be considered relevant to your work on value for money arrangements.

Yours faithfully,

Mike Rea

Director of Finance and Procurement
