Recommendation

2. It is recommended that Members;

 - b) note the Members Scheme of Allowance includes a pay increase to the Scheme of Members Allowances in line with the Firefighters Pay Award for 2025/26 which would apply to the 2026/27 allowances and any inflationary increase to the Authority's Scheme of Members' Travel and Subsistence Allowances is aligned with CPI for the previous year's March CPI;

Introduction and Background

3. The Authority's draft Scheme of Members' Allowances for 2026/27 is attached at Appendix A.
4. The Scheme of Allowance for 2026/27 includes a pay increase to the Scheme of Members allowances in line with the Firefighters Pay Award for 2025/26 which would apply to the 2026/27 allowances.

5. The Authority have previously agreed that Members entitled to a Special Responsibility Allowance ('SRA'), would only be entitled to receive one SRA payment, even if Members had more than one additional responsibility which would attract an SRA.
6. It is recommended that the SRA payment for Opposition Spokesperson continues to only be paid to one Opposition Member at any given time.
7. It is proposed within the Scheme of Allowance the role of Co-opted Member (subject to approval of the structure) to be paid for conducting such role following submission and verification of invoices at a daily attendance rate of £60 (as and when required) as is the current case. It is recommended that this would also apply to any payment made to an Independent Person appointed by the Authority to deal with Member complaints or a Relevant Officer Disciplinary process.
8. Inflationary increase to the Authority's Scheme of Members' Travel and Subsistence Allowances has been aligned with CPI for the previous year's March CPI rate.
9. The full breakdown of the proposed Scheme of Allowances is contained in Appendix A of this report.
