Dear Jane,

**POLICE & CRIME COMMISSIONER'S CONSULTATION ON THE POLICE ESTATES
STRATEGY**

I write in relation to your consultation on your proposed Estates Strategy.

We both know there is a strong expectation around blue light partners working together, and that there are strong operational benefits to blue light colocation.

Building on strong joint working at JCC, I believe we should develop a formal strategic alliance to focus attention on police/fire colocations that can be achieved speedily. This could be progressed as a matter of urgency as these should be quick wins for the local tax payers.

I look forward to supporting you to deliver your strategy and for our services to jointly keep Merseyside safer.

Yours sincerely,

D. HANRATTY
CHAIR
